

OP-88394

Separate system mounting bracket

*Please note that accessories depicted in the image are for illustrative purposes only and may not be included with the product.

Specifications

Model	OP-88394*1
Material	SUS304
Weight	Approx. 210 g

*1 If the flow meter is to be installed as a separate system with an AC power supply, 2 separate system mounting brackets will be required.

* Download CAD file or product manual for larger image/text and more detail.

Technical drawing of a rectangular plate. The main view shows a plate with overall dimensions of 254 mm in width and 90 mm in height. The width is divided into three sections: 5 mm on the left, 227.5 mm in the center, and 16 mm on the right. The height is divided into three sections: 72 mm on the left, 34 mm in the center, and 5 mm on the right. The plate features four circular holes, two on each long side, and four rectangular slots, two on each long side. A central vertical dashed line indicates symmetry. A dimension of 107 mm is shown for the distance between the centers of the two holes on the right side. A dimension of 11.5 mm is shown for the thickness of the plate. A dimension of 6.4 mm is shown for the diameter of the holes.

Technical drawing of the device showing top and side views with dimensions.

Top view dimensions:

- Width: 254
- Height: 90

Side view dimensions:

- Height: 45
